Dear DCM,

This package includes details regarding Area 79's Remote Sponsorship pilot. We hope that if you are reading this it is because you feel it may be useful to members in your district.

This letter includes an overview of how it all works and how you might like to utilize it with your local members.

Attached you will find the following:

1. A poster for those interested in *being* a Remote Sponsor; and
2. A poster to share with members who may benefit from *having* a Remote Sponsor.

We suggest sharing both resources:

- Physically, in clubs;
- Digitally, in local AA group/meeting chats, or via direct text;
- Announcing at your local meetings; and/or
- Sharing one-on-one with members who may benefit.

To participate as a Remote Sponsor or Sponsee, members can simply email remotecommunities@bcyukonaa.org and I would be happy to help connect them with the program. Both posters include my email address, along with suggested information participants can provide so we can best support any unique needs or barriers they may have.

We are grateful for your support as we continue to expand our network of Remote Sponsors and connect members with the support they need. If you have any questions, please do not hesitate to reach out.

In love and service,

Amy M.
