February 14, 2026

Hello, trusted servants. I'm an alcoholic, my name is Paul T., and I'm honored to serve as your Panel 75 Area 79 Chair.

I'm providing you this *Preliminary Agenda* to assist with planning your travel and to give you an idea of what to expect at our upcoming Area 79 Pre-Conference Assembly. A more detailed, complete agenda package will be sent in the coming weeks.

## Important Event Information

### Dates:

- Tue, April 14, 2026                      Online only for committee breakouts
- Fri/Sat/Sun, April 17-19                Hybrid

**In-person venue:** [Nikkei National Museum & Cultural Centre](#), 6688 Southoaks Cres, Burnaby, BC, V5E 4M7

Our [Accommodations and Restaurants document](#) lists nearby hotels, several with discounted room blocks. That document also has restaurants and transportation contacts.

## Event Purpose

Our service structure is built on trust, communication, and shared responsibility; it only functions effectively when the connection between the groups and the Conference is alive and active.

Our Pre-Conference process is designed to help shape the Delegate's thinking for each of the General Service Conference (GSC) agenda items, rather than instructing the Delegate on how to vote at the conference. As an Area, we do this by bringing forward each group's voice via the General Service Representative.

GSRs, your role is to help your group understand what's being discussed and to gather their feedback to bring to this event. In the **committee breakout sessions that we hold online**

on **Tuesday, April 14**, members will discuss agenda items to get a feel for what our Area thinks about these topics and what is best for A.A. as a whole.

The Delegate then takes these ideas and adds them to the conversations from other Areas to find the group conscience of all of A.A. In essence, our Delegate carries an understanding of the important discussion points from our Area to the GSC to vote on policy affecting A.A. as a whole.

## Registration

Everyone must register for this hybrid event. **Please register ASAP.** After registering, you'll receive a unique meeting link—please do not share it.

**GSRs, Alt GSRs, Alt DCMs, and District Committee Chairs (DCCs):** Please register as soon as possible. Receiving your assignment early provides the necessary time to review agenda items and background materials with your group. This ensures you are fully prepared for our **online committee breakout sessions on Tuesday, April 14.**

While the formal assignment process does not begin until March, registering now ensures you are in the system and ready to go:

- If you register now: You will receive your assignment notification as soon as the process begins in March.
- If you register in March or later: You will be notified of your specific committee assignment within 48 hours of registering.
