

ATTENTION

Pre-Conference Committee Assignments are happening NOW!!!

ASSIGNMENT METHOD

Your BC/Yukon Alternate Chair will assign you to a committee on a random basis.

A committee pre-assignment allows each GSR to bring agenda items to their group for a group conscience.

This process is to have equal participation from our fellowship on each committee. This assists our Delegate to take an informed Area Conscience to the conference.

A NOTE TO GSR'S: It is important that your group provide feedback on Agenda items for your DCM's committee as well as the committee you've been assigned to. This ensures that your DCM brings the conscience of your district. This is critical to the conference process.

**Are you a GSR,
Alt GSR or Alt DCM?**
